### Girls reckon it's easy being green

THE environment was celebrated by girls from a school in Windsor on Monday with an eco-day.

Lessons centred around the natural world as youngsters at Brigidine School took part in activities and other sessions in Girls Go Green Day.

Girls at the Queensmead Kings Road school joined green clubs, taking part in a range of events to raise awareness of environmental issues and global caring.

The day was part of a week-long event endorsed by the Girls' School Association, to highlight recycling and eco issues.

The school also held a Together Day on Friday between year seven who are 11 or 12 years old and Upper Sixth pupils, who are 17 or 18 years old.

Students from the Upper Sixth organised activities based on the theme of the Harry Potter novels, which included cooking, smoothie and mint cream making and art and drama sessions.

■ Brigidine will open its doors to the public tomorrow (Saturday), when it holds an open day to show potential parents and their children lessons it offers and the facilities.

It takes place between 9.30am and 12.30pm. For further information call 02753 853779.

**GREEN IS THE THEME:** Defne Yacesit, four, does some Eco arts and crafts. Tel: 014671-1.

**MASTERCHEF:** Upper Sixth students show their new year seven friends some recipes.
